

05-30-2022 19:32:20

I don't mind hard questions but what you did by adding your opinion after the interview was over and I had no chance to rebutt is exactly what the liberal media does. It was a chick shit stunt!

05-30-2022 19:45:46

Liz Cheney left Wyoming for 30 years also. She came back to run for office. How is what Brent Bien is doing any different? Why didn't you ask him that question. And lastly inserting your opinion about nature and wildlife you probably ought to know something about game and fish laws. You didn't even know about the big 5 change. You owe me a public apology!!!

05-30-2022 19:51:03

If I'm so ignorant about game and fish laws how is it that I have only shot animals in correct area?

05-30-2022 19:52:19

You should make it official and publicly endorse Brent. Then Mark Gordon and you can be best friends because you helped him get reelected

05-30-2022 19:53:28

You're not really helping yourself too much

05-30-2022 19:58:46

They changed the rules. Since I was a kid if you had a general tag you could hunt anywhere there was a general season. Then they changed it to you could only hunt specific areas. A general tag was no longer a general state tag. Problem is they didn't inform everyone of the change. I wasn't the only one who made the mistake. But you just read the headlines. If you studied the case you would have known that.

05-30-2022 20:16:55

Having a voice carries with responsibility. People will stop listening to you if you keep inserting misinformed opinions. I don't know how many people you influenced, but hopefully they can see I am the only gubernatorial candidate that can actually make a difference. Do any of the other candidates have a plan. No! They just talk. You claim to be a conservative then you did your best to tear down the only candidate that could actually do something. I think a states right stand is as foreign to you as your knowledge about the corruption in the game and fish department. My guess is you don't support the public land transfer because you think you'll lose access to your private spot. You are a neocon!

05-30-2022 20:23:30

Isn't that what you did to me??? Public

05-30-2022 20:25:50

I want another interview if you have guts enough to do it. Lets talk about the game and fish. I will be against them you can be for them.

05-30-2022 20:28:34

Not so much. You poached an elk, whether or not you want to admit it. What you should have done is show an ounce of humility and just owned up to it. Case closed. That would have been the end of it. But now, since you persist in this ridiculous narrative it will continue to be a campaign question for you. When I decide to do another round of interviews I'll let you know. But I have to tell you, this conversation is not convincing me to do any in the near future.

That's what I thought. Shock the shit out of me and

05-30-2022 20:31:10

You talk a big talk, but when it comes down to you back off like a

05-30-2022 20:35:49

I have no respect for people who hide behind a mic to insert their uneducated opinions. I think Trump would call you "fake news."

05-30-2022 20:37:33

I have no respect for candidates for candidates who try to push people around. You're just mad because I called it how I see it.

\*for candidates

05-30-2022 20:41:42

Maybe I was wrong. Maybe you are pulling for Mark Gordon. He doesn't want the public land transfer either. He wants the whole state to be a pristine wilderness. That's it isn't it. You're a tree hugger aren't you?

05-30-2022 20:43:48

It's all making sense

05-30-2022 20:45:33

Wow Rex. You really know nothing about me do

05-30-2022 20:55:33

Oh, I think I know all about you. You attack me for making a mistake, when you should have been agreeing with me about states rights. People who understand what Taylor Haines, Marty Halverson, and a lot others, and myself have been trying to do would never disparage me like you did. You were so wrapped up in poaching question you didn't hear a thing I said. I would love hear your answer on how to fix things. My guess is you have no clue, but you will more than willing to tear me down for a mistake many others have made. We are not all white knights like you!

05-30-2022 20:58:09

If you were a real conservative you would never have done what

05-30-2022 21:01:39

What? If people don't ascribe to the world according to Rex they aren't conservative. I'm not the one who answered just about every question with "federal lands" You know well enough that's not the answer to everything. While most of what the feds claim to be able to do is the purview of the states, not everything is.

05-30-2022 21:02:44

Real conservatives know real conservatives. I think you're a want to be conservative.

05-30-2022 21:04:20

Of course you do

The 10 amendment is the answer to every thing. You just showed your ignoranc e again. America will fail if we do n ot follow the Constitution.

But like several things evidently, you are

05-30-2022 21:07:07

You don't think following the Constitut ion is the answer to America's problem ? Do you support the public land tran sfer? Yes or no?

05-30-2022 21:08:31

Of course following the Constitution is the answer. And of course the feds co ntrol roughly half of Wyoming. They sh ould give it back. What I question is your approach

You want to use executive orders. Thos e my friend are borderline unconstitutional.

05-30-2022 21:10:22

Is it Unconstitutional for a governor t o enforce the 10th

05-30-2022 21:11:39

Depends on how you do it. I don't agree with exec. orders state or

There is no borderline Unconstitutional issues. There is either constitution al or Unconstitutional.

05-30-2022 21:14:29

Executive orders are how laws are enfor ced. They are part of our system. S ome abuse their authority but that doe sn't make E.O. inappropriate in a 10th Amendment case.

Sure there are that's why we have supre me courts...for questions of law. If an exec order strays beyond the enumer ated powers then yes its unconstitutional, other exec orders may not be.

No they aren't Rex. If the Gov is actin g within his powers there is no need f or an exec order.

I happen to disagree with nearly all ex ec

05-30-2022 21:17:38

What is your email. I will send you an article that I just wrote. It will help you understand. The article is going all over the state. Now we are getting down to the source of the problem between you and me

05-30-2022 21:20:43

I don't have a problem with you. I disagree with you. There's a

David@cowboystatepolitics.com

05-30-2022 21:23:28

I just emailed you the article. Let me know if you don't

05-30-2022 21:25:29

If you have questions after you read it, let me know. I'll try to answer them tomorrow.

05-30-2022 21:50:06

I would appreciate it if you would take your comments off the end of the interview. Thank you for engaging me. I knew there was something bothering you. I hope the article makes sense to you.

05-31-2022 07:18:13

I hope you took the time to read the article. If you did I hope you can see the only way to become a sovereign state is by executive order. If we tried to litigate it we would lose as we have before. And yes this is the answer to all of problems

05-31-2022 07:20:29

I didn't receive

05-31-2022 07:24:51

I will send it

05-31-2022 07:27:14

I will have to find an internet connection. I am in the RV. For some reason its not sending

05-31-2022 07:29:49

Maybe it did

05-31-2022 10:43:35

Are you going to take your commentary off my interview? If not I will be forced to speak against you as you have against me. I would just as soon walk away from you now and in the future, but I can't let you single me out of the gubernatorial candidates unfairly. I am trying to stop Mark Gordon. To do that I have to confront my enemies publicly. If you are a true conservative you will not help Mark by disparaging me. He would be very happy when he hears your commentary.

05-31-2022 10:53:40

No Rex, I'm not going to do that. It's part of the political discourse now. I will not re-write history nor will I delete what I have said--for you or anyone. My opinion is my own. Just because you disagree with it doesn't make it wrong. And threatening me in an attempt to force me to re-write history is pretty low. Let me speak plainly to you: I will not bow to your ill-fated attempt to force me to do what you want. Period. By the way, have you noticed that I have over 10x the amount of downloads than the amount of votes you received in the last election? There's another group of folks that try to force their will by blackmail. They're called Redcoats.

05-31-2022 11:05:01

Your choice. I have a lot of support out there. I have a real shot at becoming the governor. I am more like Trump than you know. And even you should be able to figure out what that means. Take it off or wished you would have. Goodluck trying to tie me to the rinos.

05-31-2022 11:06:15

I don't have to try, I just have to publish all the text messages you have

05-31-2022 11:08:23

I didn't say anything that wasn't

05-31-2022 11:09:47

Oh except a little thing about threaten ing me unless I ERASE what I have said . Are you sure you aren't running for the Ministry of Truth?

05-31-2022 11:12:26

Yes, I am a supporter of truth. That's where you

05-31-2022 11:14:50

You must be the only person I have ever met that hasn't read 1984. Wow. What do you think of my next episode title? "Revisionist Rex Rammell and the Ministry of Truth?" I think it's catchy, how about you?

I think the people will figure out what you did to me was unfair. Every candidate likes to be sabotaged by a preening self promoter.

05-31-2022 11:17:47

Do what you want Rex, see how it works out for

05-31-2022 11:19:53

You don't have guts to run for office. You just hide behind your mic and find fault with people. What an honorable lifestyle.

05-31-2022 11:21:30

Wrong again slick. I just haven't lost as many races as you. BTW I'm not the one threatening journalists and talking about honorable professions.

05-31-2022 11:23:29

You can't lose an election unless you have guts enough

And I have, twice. Funny thing is I lost both of them by 130 votes. How many votes have you lost by?

Remember Abraham Lincoln or do consider him a

05-31-2022 11:26:01

You are no Lincoln. I am pretty sure Lincoln could have figured out where he could legally shoot an elk.

Did you run for

Did you? No one can really recall a serious

And your not Rush

At least I can read and spell,

42,000 people voted for in my 1st run. How many voted

05-31-2022 11:30:06

No smart

Uh huh, what about 2018? ...a whopping 6751 in the general. Wow Rex,

05-31-2022 11:31:21

You see Rex, the fact that you don't realize this whole conversation is digging a giant hole for yourself is a big reason why you shouldn't be governor

Constitution

Hahahaha excuses

Go ahead and publish it. The people will see who you

People aren't as stupid as you

I probably will. And everyone already knows me Rex. The fact that you obviously don't is also concerning. Just remember who's threatening whom.

05-31-2022 11:35:02

You drew 1st

Hahaha...no you did when you should that elk!!! ☒

05-31-2022 11:51:28

I am a fighter and I have never backed down when I am right. That is why I am the only person who can take the feds on and win. I hope you have learned there are lines you don't cross. If you haven't you will. I will never trust you again. You have shown me who you really are.
