Re: Cease and Desist.

Mr. Rasner:

Hageman for Wyoming has learned of certain social media posts and paid advertisements in which you and your campaign used Representative Hageman's name, image, and likeness. As Representative Hageman's campaign previously informed you, any post or advertisement that implies you have received the Congresswoman's endorsement is false, misleading, and unfair.

Nonetheless, you have persisted in your attempts to mislead Representative Hageman's loyal supporters, some of whom may be considering donating to or voting for you based on a false belief that she has endorsed your candidacy. To avoid continuing confusion on *anyone's* part, let me be absolutely clear:

REID RASNER DOES NOT HAVE REPRESENTATIVE HAGEMAN'S ENDORSEMENT.

Hageman for Wyoming thus demands that you immediately cease and desist all present and future uses of Representative Hageman's name, image, or likeness in any manner that could reasonably imply her endorsement. This includes, without limitation, promptly removing any and all posts or advertisements enclosed herewith or similar thereto.

Sincerely,

Alex W. Cannon
