Good morning!

We have secured a location and the artwork for the ad is attached. Again, it is a 1c X 2-1/2 ad. We absolutely must have it run in the Friday, March 21 edition of the Press.

Please let me know when you receive this and that everything is okay for Friday.

Thank you!

Tod.

Hi Suzie!

We are in a bit of a pickle. The SC GOP just realized that it did not run an advertisement in the paper for the March meeting, which we are required to by state statute 10 days or more before the meeting. Our meeting was supposed to be this Saturday, the 22nd. So...we are moving our meeting to March 31.

We need the Press to run a 1 column by 2.5" b/w ad in this Friday's paper. We are required to hold our meeting in March, so this is our last, best chance at compliance with statute.

I am sending this email without artwork attached. We could not get our normal venue for the 31st, and are waiting to hear back from two alternates. If I don't hear anything by mid-morning, I did create an ad that says "location to be announced" which we'll run instead. I don't want to hold anything up on your end.

Please confirm that you received this request.

Thanks!
